

**LEE COUNTY BOARD OF EDUCATION  
NOTICE OF NON-DISCRIMINATION**

Students, their families, employees, potential employees and the general public of the Lee County School District are hereby notified the Lee County School District does not discriminate on the basis of race, color, national origin, sex/gender, age, religion, marital status, or disability in employment programs, vocational programs, or activities as set forth in compliance with federal and state statutes and regulations.

The Lee County School District offers the following career and technical education programs for all students in grades 9-12 regardless of race, color, national origin, including those with limited English proficiency, sex or disability: Agriculture, Computer Science, and Engineering Design. The following career and technical courses are also available to students: Automotive, Business, Carpentry, Electricity, Health Science, and Welding. All students who are enrolled in Lee County Schools (grades 9 – 12) have access to these programs. The lack of English language skills will not be a barrier to admission and participation in vocational education programs. Persons seeking further information concerning the vocational education offering and specific prerequisite criteria should contact:
