Locker Room

Your team will be in the Heck Gym building locker room. They will be escorted to the locker room by Coach Willis. There is a dry-erase board with markers and an eraser. In addition, there is an ice machine (if needed)-please let Coach Willis know upon your arrival.

Visitor/Cheerleader/Band

The seating for the home team is on the east side. Visitors are also welcome to sit in the stands on the east side. If visitors would like to sit on the west side, there are no bleachers; please let your visitors know they need to bring chairs. Due to limited space, you'll want to be creative with how you provide space for your cheer squads and your band. There is no seating beyond the end zones for these groups. Trash receptors will be placed on the visitors' side.

Halftime Programs

Please notify Steve McCarthy at least one week before the game day if your cheerleaders and band would like to perform at halftime. Your program should be a maximum of 7 minutes and begin immediately at the end of the second quarter. The Trinity halftime program will follow your program.

Restroom Facilities

Restroom facilities are located on the west side of the concession stand building.
