HEALTH & SAFETY PROTOCOL

1. VISITORS
   Visitors will be limited to the main office or kiosk. Volunteers will not be scheduled until further notice.

2. TRAINING
   Professional development will be provided for staff on hygiene and sanitizing procedures as well as screening measures.

3. HAND WASHING
   A scheduled hand washing protocol for each building has been established. Additional hand sanitizer will be available.

4. CLINIC
   Symptomatic students waiting for pickup will be provided a separate space and must wear a mask until leaving the building.

5. BREAKS
   Restroom, recess, and lunch breaks will be scheduled by classes and groups.

6. SEATING CHARTS
   Students will have assigned seats in the classroom, cafeteria, and bus. On the bus, siblings will be seated together. In the classroom, space will be maximized and students will face the same direction as much as possible.

7. MASKS
   Masks are recommended. Masks are encouraged in the hallway, restrooms, and small group instruction. Masks are required on the bus, in the clinic, and where space is limited.

8. CAFETERIA + WATER BOTTLES
   Students should bring their own filled water bottle. Following CDC guidelines, drinking fountains will be unavailable. Alternative contactless filling stations will be available. At this time, no visitors or outside food delivery will be permitted.

9. PARENT EXPECTATIONS
   Parents can partner with WCS by monitoring their child’s health, reinforcing hygiene practices, and by providing a mask and hand sanitizer.
