Special Education	As dictated by N.J.A.C. 6A:14-4.3		
Entitlement Programs	As dictated by applicable state and federal guidelines.		

2. Class size guidelines may be waived for:
 - a. Physical education classes,
 - b. Large group instructional units,
 - c. Laboratory, studio, and shop classes, and
 - d. Classes in honors and advanced programs.
3. These guidelines are intended to be flexible and should be applied in a manner that takes into account:
 - a. The subject matter taught in the class,
 - b. The nature of instructional methods used in the class,
 - c. The use of special facilities and equipment, if any, and
 - d. Temporary fluctuations in the number of pupils enrolled in the school and in specific classes.

B. Corrective Measures

1. Where the number of pupils assigned to a nonexempt class is below the minimum number, the following actions may be taken:

CLASS SIZE

- a. Where feasible, consideration may be given to consolidating classes. A proposal to consolidate classes may precipitate the abolishment of positions and a consequent reduction in force and must be forwarded to the Superintendent,
 - b. In the secondary school, a class in which fewer than 10 pupils are enrolled by July 1 may be canceled, unless elimination of the class will impair the school curriculum or deprive pupils of an essential unit in a sequential instructional program necessary for graduation, college application, employment, or other postgraduate use.
2. Where the number of pupils assigned to a nonexempt class exceeds the maximum number, the following actions may be taken:
- a. Consideration may be given to assigning an instructional aide to assist the teacher,
 - b. Classes may be organized into team teaching components,
 - c. The Principal may consider reorganizing the overcrowded grade level or subject area into a greater number of classes. A proposal to increase the number of classes taught by teaching staff members may require the creation of new positions and must be forwarded to the Superintendent.
