2452 COMMUNITY EDUCATION

The Board of Education may establish and maintain a program of community education and utilize its school facilities for accomplishing the legitimate educational purposes of serving the vocational, vocational, and cultural interests of the community.

The Board may also maintain a program of instruction in English language and in government and laws for the benefit of foreign-born residents of the district.

The Superintendent will utilize appropriate staff members, invite the participation of representatives of the community, cooperate with local organizations and agencies, and assess the needs and resources of the community to develop a program of community education and present that program to the Board for its approval. The Superintendent is directed to seek out and utilize such sources of revenue as may be appropriate for the financial support of the community education program.

The program of community education will be maintained at no cost to the Board. Persons who participate shall be charged tuition pursuant to law and shall provide all supplies necessary to the accomplishment of their program except that residents of the district who are 65 years of age or older shall be admitted to the community education program without charge.

All out-of-school youth and adult residents of this district and the districts of Oaklyn and Woodlynne are eligible for attendance in the community education program.

No credit toward graduation shall be awarded for participation in the community education program.
