3231 OUTSIDE EMPLOYMENT AS ATHLETIC COACH

The Board of Education will permit, in accordance with this policy, employees of this school district to serve as an athletic coach in another school district.

Service as an athletic coach in another school district must not conflict with or interfere with the performance of an employee's professional responsibilities in this district.

An employee of this district cannot accept employment as an athletic coach in another school district when he/she has been offered appointment as coach of the same rank and in the same sport in this district, except that the Superintendent may permit such an employee to accept out-of-district employment when the interests of pupils so warrant.
