

6641 PUPIL LUNCH CHARGES

In the event a parent(s) or legal guardian(s) of a pupil enrolled in the Collingswood School District does not prepare a lunch for their child or does not provide their child money to purchase lunch for a school day and to avoid a pupil going throughout the school day without proper nourishment, the school district will provide the pupil a lunch with the cost to be reimbursed by the parent(s) or legal guardian(s).

The following procedures will be followed in the cafeterias:

1. On the first occasion, the pupil will be served the meal of their choice.
2. On consecutive occasions, the pupil will be served an alternate lunch of a cheese sandwich, 2 fruits, 2 vegetables and low fat milk of choice.
3. If charges have not been paid after the third charge, a letter will be mailed to the pupils, parent(s) or legal guardian(s), followed by a phone call from the food service department.
4. Any future charges will only be allowed on a case-by-case basis as determined by the Food Service Director and Principal.

Report cards will be withheld at the end of each quarter for those pupils who have not fulfilled their loan obligations.
