0157 BOARD OF EDUCATION WEBSITE

For the purpose of keeping the community informed, the Board authorizes the Director of Technology to coordinate and oversee a school district website to be maintained on the Internet. All items to be posted on the website shall be approved by the Superintendent or designee prior to posting. In the event the Director of Technology finds certain material that is submitted to be posted, should not be posted, the Director of Technology shall seek approval of the Superintendent prior to posting such material. In the event the Superintendent, upon review of the material from the Director of Technology believes the material should not be posted on the website, the material shall not be posted.

The types of information that may be posted on the website include, but are not limited to:

- Board Meeting public agendas
- Board Meeting approved minutes
- Selected Board of Education policies
- Selected Board of Education regulations
- Board of Education meeting dates
- School District Newsletter Information
- Information regarding school times, closings, procedures, schedules
- Frequently asked questions as they relate to Board functions
- School Administration Information
- Curriculum updates
- Job postings
- Test score information from the School Report Card
- School E-Mail information
- Homework Information
- District Events

and any other information the Superintendent determines appropriate for posting on the website.

Materials containing political or editorial points of view shall be prohibited from the website.

The Board and Superintendent shall periodically evaluate the effectiveness of the school district website and this policy.
