July 9, 2020

Thomas-Fay-Custer Community and School Staff,

First of all, I would like to say how excited I am to officially be a part of the TFC School and Community. It is a privilege to be able to serve this community and work with an incredible bunch of people. I look forward to the opportunity to meet or reunite with each of you and work to make the most of this opportunity.

I know many of you are curious what the beginning of this school year will look like and what our plan will be moving forward. We are currently working on a variety of options for the school year that encompass a wide range of ideas on how to have school while protecting our students and staff to the best of our ability. We are working with local, state, and national health authorities to ensure student and staff safety is a top priority. This process is not a quick process, so please be patient as we put the plan together and prepare it for release in the very near future. Our goal is to have something out to you before the end of July. This will allow us to have information that is as up-to-date as possible and give each of you a chance to prepare for any new procedures that will be in place for the school year.

We are looking forward to the upcoming school year and to have the opportunity to once again fill our halls with students and build on the TFC Tradition of Excellence. If you have any questions or concerns, please feel free to call us at any of the numbers listed below.

Once again, I feel honored to be at Thomas-Fay-Custer Schools and look forward to working with each of you to build on the traditions that have long been established here.

God Bless,

Rob Friesen, Superintendent

Thomas-Fay-Custer Schools
