Sandy Espinoza, Transportation Supervisor

The following procedures must be followed in order for your child(ren) to be allowed to ride the bus to/from school, or to extracurricular events:

- Social distancing must be observed while waiting for the bus to arrive or waiting to board. This means maintaining a distance of six (6) feet between riders.
- A mask must be worn while waiting and while riding the bus. Students will not be able to board/ride if not wearing a mask.
- Assigned/designated seating protocol may be used to protect riders.
- For everyone's protection, the buses will be disinfected between runs.

I have read and understand the above procedures. I further understand that if my child(ren) does not follow procedures they may not be able to be transported in a school vehicle.
