Field Day Guidelines-2023

On May 23, 2022, Fairview will be holding our annual field day. This is a fun-filled day that our students look forward to each year. We will be splitting our students into 2 groups: Grades 3, 4, and 5 will participate in the morning and our K, 1, and 2 students will play in the afternoon. Our Basic Kindergarten students will all come and join the morning group of students. It is our desire that each and every child participate. However, students who have excessive inappropriate behavior will not be allowed to participate. We will use a "three strikes and you're out" system. If a student is sent to the office for a behavior offense (as determined by the administration), that student will be charged with a strike. The office will keep track of the strikes and update teachers on a regular basis. Please contact your child's teacher if you have questions. **PLEASE NOTE:** If a child receives a full day of in-school suspension or any out-of-school suspension (as assigned by the office), they will automatically be removed from participating in field day.

If students are behind in getting their work completed and turned in, this poor choice may result in the loss of field day participation. Students will be given an opportunity to work on incomplete work in the Media Center and once the work is completed to the best of their ability, they will be allowed to join the field day festivities. Please discuss these guidelines with your child. If you think that your child may be behind and may lose field day, please contact your child's teacher. Your child should be very aware if they have incomplete work, so it should be no surprise, should they find themselves sitting in the Media Center on field day.

A note from Mrs. Vietti

Another school year is almost done! Reminder to 5th grade parents/guardians...MANY of your students will need a set of immunizations BEFORE school starts in August. We will be sponsoring an Immunization Clinic on July 12th in McHale Performing Arts Center at Logansport High School. You MUST register for this clinic and information will be coming home with your student soon. If you are unable to attend this free clinic, make sure you get an appointment ASAP at the Cass County Health Department or with your healthcare provider. Please let us know if you have any questions!

A Note From Mrs. Nicholson

As we approach the end of the school year, it's important to remember all of the things our students have accomplished this year! We will celebrate all of our students at their awards programs the last week of school.

2nd & 3rd Grade Awards Program: Wednesday, May 24 from 8:45-9:45 am

Kindergarten & 1st Grade Awards Program: Wednesday, May 24 from 10-11 am

4th Grade Awards Program: Wednesday, May 24 from 1-2 pm

5th Grade Awards Program: Thursday, May 25 from 9-10 am

Families are welcome to attend and encouraged to do so. Please arrive no earlier than 15 minutes before the program begins. Programs will be held in the gymnasium.

We will be celebrating our 4th & 5th Graders' completion of elementary school and encouraging them as they begin their transition to Logansport Intermediate School next year
