A proposed boundary change for the elementary schools would shift some incoming kindergartners who don't currently have a sibling at C.C. Lee from C.C. Lee to Lincoln Elementary which would help balance classroom sizes and would affect very few students. The boundaries of the two schools touch. The proposal involves extending Lincoln's boundary north. North Fifth Street (County Road 10) would be the dividing line. Students who live on the west side of that road would be in Lincoln's district; students who live east of the road would be in C.C. Lee's district. The board will considering approving the boundary change at the June 14 meeting. Class Size and Boundary Discussion

10-193
It was moved by Sharp and seconded by Olson to adjourn the meeting at 7:21 PM. Adjournment
All voted "Aye".
