

Blended Learning Onsite	Stuttgart Virtual Academy
<p style="text-align: center;"><u>Curriculum</u></p> <p>State Standards/Essential Standards taught as normal with course offerings remaining the same.</p>	<p style="text-align: center;"><u>Curriculum:</u></p> <p>State standards taught in an order recommended by our staff to align as much as possible with onsite instruction.</p>
<p style="text-align: center;"><u>Instruction</u></p> <ul style="list-style-type: none"> • Face to face with teachers (live streaming may be required to separate students for social distancing) • Some teachers may record lessons for students to watch in the classroom and/or on Google Classroom. • Instruction will be blended throughout the week. For example, teachers will post assignments, quizzes, videos, resources, and/or activities in Google Classroom for students to access while in the classroom. This will prepare students for online learning should the school have to close or a child has to be quarantined. • PAE/MMS: Activity teachers (art, P.E., music, library, etc.) will rotate to the classrooms. • In some schools, teachers and paraprofessionals may rotate between rooms for social distancing. Teachers will provide the instructional content to students. • Many of our classrooms will not allow for 6 feet social distancing; however, we will distance as much as possible and require masks for all staff and students. • Grades/tests will be taken and recorded on a regular basis. • Meals will be served in the cafeterias or classrooms depending on space for social distancing. • Each principal will provide a building plan with information regarding the safety and learning in the schools. • Each building plan will include more details on safety precautions that will be taken while providing services to students with special needs. 	<p style="text-align: center;"><u>Instruction</u></p> <ul style="list-style-type: none"> • Online learning • Platforms for learning: K-8: Edgenuity 9-12: Virtual Arkansas <p><u>Edgenuity</u> K-5 video introduction https://www.edgenuity.com/video-library/?vid=6073377315001</p> <p>6-8 video introduction https://www.edgenuity.com/video-library/?vid=3049988246001</p> <p><u>Virtual Arkansas</u> https://virtualarkansas.org/200690_2</p> <ul style="list-style-type: none"> • Edgenuity lessons are available online 24/7; parent/guardian can decide schedule for student. • Edgenuity has text translation for all students. • A parent/guardian must be available to assist the student in accessing the lessons for K-5. • The District will purchase the workbooks for K-5. • Online teachers will be provided. The number of virtual students may influence whether our district teachers or the teachers Edgenuity or Virtual Arkansas are used. • The district will provide a staff member to serve as the virtual coordinator to help support families and students with the Virtual Academy. • Virtual students will be provided with a device if needed. • Grades will be taken on a regular basis, considering accuracy, deadlines, etc. • Tests are taken online.
<p style="text-align: center;"><u>Interventions/Special Services</u></p> <ul style="list-style-type: none"> • Interventions will be provided per normal procedures; however, locations may be changed due to social distancing requirements. • Dyslexia: students will receive regular support. • 504/IEP: plans will be used as normal, including online learning. • All SpEd services will be provided. 	<p style="text-align: center;"><u>Interventions/Special Services</u></p> <ul style="list-style-type: none"> • Many interventions will occur virtually. • Our district Special Education Director will work with parents and teachers to make sure students receive the support needed for success. • Virtual Academy platforms will allow for some accommodations for students as needed in their individual education plans.
<p style="text-align: center;"><u>Supplies/Equipment</u></p> <ul style="list-style-type: none"> • Each student will be issued a device to use at school and at home when needed. This will include a charger. Students will be expected to turn in a technology contract, keep device clean, and take care of the device. • Each child will keep his/her own supplies to use each day. Supplies may NOT be shared between students. There will be no class boxes of materials for students to share. • Each family is being asked to provide their child with the provided supply list from the building. 	<p style="text-align: center;"><u>Supplies/Equipment</u></p> <ul style="list-style-type: none"> • Each student will be given a device to use if needed. This will include a charger. Students will be expected to keep that device clean and take care of the device. • Families must commit to supporting their children with Virtual Academy instruction. Checking to ensure work is done on time, setting up support if needed, and/or corresponding with the virtual coordinator in the building for assistance. • The district will not provide individualized Wi-Fi. • Some labs may require additional supplies (most of which may be available in the home.)
