

Schley County Virtual Learning Program Application for Fall, 2020

The Schley County School System will offer an option for students to participate in our Virtual Learning Program for Fall Semester, 2020. Schley County Schools will be utilizing the Edgenuity Online Curriculum for students who choose to receive instruction from home. The experience and expectations will be more rigorous than they were during the spring COVID-19 school closure.

Devices may be provided by the school system upon request, but internet access must be available at home for the virtual option. Families choosing this option must remain in the Virtual Learning Program for a period of nine weeks for grades K-5 and one full semester for grades 6-12.

Parents or guardians must register their child(ren) for the Virtual Learning Program by completing this application no later than July 22, 2020. If the application is not received by this date, the district will assume that your child(ren) will be participating in face-to-face instruction.

If registering more than one child, please complete a separate application for each child.
