NOTICE OF NONDISCRIMINATION

Unified School District No. 327, Ellsworth County, State of Kansas does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.

STUDENT CODE OF CONDUCT

One of our goals at Ellsworth Junior/Senior High is to help students develop the skills of responsible behavior and self-discipline. Students are often faced with situations in which they must choose their behavior and be responsible for their actions. In order to provide the best possible learning environment for all students, the administration, teachers, and staff will assist students in learning to make appropriate choices and provide consequences when inappropriate behavior is chosen. The following code of conduct has been developed to help all students develop a positive self-image and make appropriate behavior choices.

Each student is held responsible for his/her personal actions. The right to attend USD #327 carries with it the obligation to maintain acceptable behavior, and to act in an appropriate manner. The common standard against which behavior is measured is that which is conducive to learning and a contributor to the general purpose and welfare of the school and its students.

The following is a non-exclusive list of behaviors or actions which are prohibited and may result in disciplinary action by the school, up to and including suspension or expulsion. Behaviors other than those described in list may constitute unlawful or prohibited acts and violate this code of student conduct. If a student is uncertain or does not know whether or not any particular action, language or activity will be a violation of the code of student conduct, the student should ask the building administrator. All of the following behaviors or actions are unacceptable and prohibited on school property, in a school vehicle, or at a school sponsored or supervised activity or event (home or away).

Lastly, students need to be aware that if they participate in an activity or athletics they are held to a greater code of ethics. Students who participate in these events must adhere to those codes as well or face additional consequences subscribed in these other handbooks.

General

- Students are expected to show respect and obey all school personnel at all times.
- Students have a responsibility to cooperate and show self-discipline so that classrooms are orderly.
- Students are expected to display pride in their school. Taking care of public and private property makes one's school and community a desirable place to be. This also means that students should display enough pride in their school to keep the classrooms, corridors and restrooms clean. Students who damage or destroy the school's or other people's property will, in addition to behavioral consequences, be held liable for all costs related to those damages.
- Students are expected to be considerate of others.

- Polite behavior is expected at all times. Students will not "put down" or harass other students in any manner. Students will not have or use any types of obscenity, profanity, or vulgarity in their language or sounds. These types of language or sounds discredit the school and the individual. Pushing, shoving or loud talking in the hall is inappropriate behavior and is not permitted. Teachers will monitor the hallways during passing periods and will expect considerate behavior.
- Students are expected to report to classes on time and be prepared for their class.
- Students should be in the classrooms and ready to work when the class begins.
- Students are expected to be respectful of others in their interactions. This includes face to face contacts as well as interactions through social media within our student body and with students from other schools.
- Students will keep hands, feet, and objects to themselves. Students will work out disagreements in a manner which respects others and does not use fighting as a solution.
- Students are expected to show good manners.
- During assemblies and at all school functions, students should display courtesy and positive behavior. This includes appropriate applause and cheers. Boing, hazing or other rude behaviors are inappropriate at any time and are not allowed.
- A student, by use of violence, force, noise, coercion, threats, intimidation, fear, passive resistance, or any other conduct, shall not cause a substantial disruption or obstruction of any lawful mission, process or function of the school. it is necessary to cross the road/street, do so at least 10 feet in front of the bus. Look for traffic both ways before crossing. Excessive noise and loud talk may distract the driver and should be kept at a minimum. Students are responsible for keeping the vehicles clean. Students who violate the rules may be denied the privilege of riding in school vehicles. Whenever the school provides a bus to an activity or event, participants are expected to ride the bus to and from that event. Students may ride home with their parents or other adults providing a note from the parent is brought to the sponsor, athletic director, or principal prior to the event. Commission of a Felony Conduct which, if the pupil is an adult, constitutes the commission of a felony or, if the pupil is a juvenile, would constitute the commission of a felony if committed by an adult.

BEHAVIOR CONSEQUENCES

Disciplinary action, including up to suspension and expulsion can be taken by the school for the violations of the student code of conduct whether or not it occurs on school property, in a school vehicle, or at a school sponsored or supervised activity or event in the following instances, and thus such conduct is prohibited. Conduct which violates the Student Code of Conduct as set forth herein and that effectively comes to or enters the school with a student or by electronic means and that may foreseeably cause or does cause a material and substantial disruption of the school environment.

Consequences may be invoked for behavior contrary to the prior rules of conduct. It is not assumed that the classroom rules must be identical for each class or activity. Examples that may be invoked are as follows:

- Reprimand by teacher, administrator, or other school person.
- Detention as assigned by the teacher.
- Removal from class or activity for a period of time.
- Assignment to school principal for conference, reprimand, or punishment.
- In-School Suspension or Out-of-School Suspension.
- Expulsion from school in accordance with all KSA rules and regulations.

REPORTING. To ensure the safety and well-being of students and to encourage non-violent methods to resolve conflict, a state statute and board of education policy have been enacted which require any employee of a school district to report conduct which constitutes the commission of a felony or misdemeanor to the appropriate law enforcement agency.

SUSPENSION. Suspension is a disciplinary action for violation of proper school conduct. A suspended student may NOT ATTEND school or school activities during the time of their suspension. Procedures of suspension or expulsion are defined in laws K.S.A. 72-8901 and KSA 72-8905 and are available in the school office. In all cases of suspension, the parents and/or guardians will be notified in writing of the reason and duration of the suspension.

EXPULSION. Expulsion means removal from school all school privileges for the remainder of the semester or longer and in accordance with KSA 72-8903.

State and Board of Education policies are in effect with the institution of an expulsion. All Kansas school districts can refuse to admit an expelled student for one year from the date of the student's expulsion from any prior school.

- Expulsion from school in accordance with all KSA rules and regulations.

ATTENDANCE POLICY

Absence from a class for any reason results in a loss to the student that is irretrievable. ANY ABSENCE MAY REQUIRE MAKE-UP TIME AT THE TEACHER'S DISCRETION.

THE KANSAS COMPULSORY ATTENDANCE LAW KSA 72-1113 states that a child under the age of 18 is truant when one of the following applies: Unexcused absences on three (3) consecutive school days, five (5) or more days in a semester, or seven (7) days in a school year, whichever occurs first. Attendance of the student is the responsibility of the Parents (Guardians).

ATTENDANCE CALLS. A parent or guardian should call the school EACH day his/her child will be absent prior to 8:30 am.

EXCUSED ABSENCES - students will be allowed 5 absences per semester with parent/guardian permission. Any student with 6 or more absences per semester will be required to have written/signed confirmation of any illnesses, appointments, funerals and/or college visits. EHS students who leave after the start of school must have parent's/guardian's permission. Parents/guardians of EHS students must sign students in or out of the office upon arrival or departure from school.

LATE TO SCHOOL (LTS) & TARDIES. Most late arrivals are avoidable. If you know your child will be late, call the school. All children who arrive late to school MUST report to the office. A student is considered late to school if their arrival is less than fifteen minutes after the starting bell. Three LTS or Tardy incidents will equal one unexcused absence (see the Kansas Law above).

TRUANCY PREVENTION. Expect a call from the school to ask how the school staff may help attendance. Excessive absences will be reviewed by the truancy officer who may request a meeting with designated personnel. Parents or guardians will be required to attend all meetings to assist in developing a truancy prevention plan.

TRUANCY RESPONSE. If absences continue following the truancy prevention plan, a report will be filed with SRS or the County Attorney's office for legal action.

OUT OF SCHOOL SUSPENSION. Students receiving Out of School Suspension will receive credit if work is completed within an appropriate timeline given by the teacher. Out of School Suspension is considered an excused absence. During an Out of School Suspension, students are not permitted on school grounds.

STUDENT ACTIVITIES. All school related activities and athletic events will be considered an activity absence, which is excused. Students are expected to complete any assigned work by the instructor's deadline.

BREATHALYZER

The administration is authorized to use a breathalyzer.

ANTI-BULLYING POLICY

Board Policy JDDC. The board of education prohibits bullying in any form on school property, in a school vehicle or at a school-sponsored activity or event. The administration shall propose, and the board shall review and approve a plan to address bullying on school property, in a school vehicle or at a school-sponsored activity or event.

The plan shall include provisions for the training and education of staff members and students and shall include appropriate community involvement as approved by the board. Students who have bullied others in violation of this policy may be subject to disciplinary action, up to and including suspension and expulsion. Students who violate the bullying prevention policy may be reported to local law enforcement.

ANTI-BULLYING PLAN

USD327's objectives:

- To prevent bullying so we can create a safe, peaceful, and respectful atmosphere both in and out of school, at school functions, and on district transportation
- To encourage all who come to our school to take responsibility for stopping and preventing ALL bullying
- To discipline for bullying incidents. They will be addressed by district personnel in an age appropriate manner
- To be a bully free school

How as a school can we prevent bullying?

- By treating allegations of bullying very seriously
- By promoting positive attitudes towards each other
- By respecting the confidentiality of students involved
- By disciplining bullies and to help them change their behavior
- By prohibiting retaliation against any person who reports an act of bullying
- By training staff on an annual basis how to respond to bullying reports
- By informing students what bullying is and how to prevent/stop it

As a student of our school I can:

- Expect help if I am being bullied
- Expect to be treated with respect and to be safe from persistent bullying
- Help someone being bullied and not ignore it
- Report to an adult if I see someone being bullied
- Become a friend to the person being bullied to show the bully it is not acceptable
- Expect that serious action will be taken against me if I bully others

As a victim of bullying, I have the power to:

- Tell the bully "to stop"
- Tell my friends
- Tell my family
- Speak to a responsible adult

If I bully someone, I can expect:

- My teachers to be aware of my bullying behavior
- Help, towards changing my behavior and attitude so I can stop myself from doing it in the future
- The incident to be investigated and appropriate action taken
- Action may include but not limited to verbal warning, parents informed, detentions, internal or external suspension; all dependent upon the seriousness and length of the incident to be determined by the building principal
- If appropriate, it will be reported to local law enforcement

Staff is expected to deal with the situation by:

- Intervening as quickly as possible
- Collecting information from all parties
- Documenting exactly what was seen or heard
- Reporting it to the principal if necessary on the Bullying Incident Form
- Speaking with the bully so they are aware that teachers know what is happening

COMMERCIALISM

The public schools are operated for the general welfare of students and must be free of possible exploitation. Solicitations of gifts or donations by students or special groups will be discouraged.

COURSE DESCRIPTIONS

A bulletin describing course content will be published under separate cover and made available prior to the time of pre-enrollment. The guidance counselors will help students select courses which will better prepare them for their particular areas of interest and future education.

CREDIT RECOVERY

Students who find that credits are needed to meet graduation requirements can transfer credits to EHS from an accredited school by meeting the following requirements:

- If a required course is needed to graduate and is offered at EHS before the student's graduation date, the course must be attempted at EHS.
- If a student has previously failed an **EHS required course**, with Administrative approval, an approved course can be transferred to EHS.

- If a student fails a course needed for graduation in their eighth semester, the student will be allowed to recover the credit, but the student cannot participate in their class's graduation ceremony. This student may take an approved outside course or return to EHS for the following fall's class(es). When an approved course is satisfactorily completed and the agency has provided an official transcript, the student will receive his/her diploma citing the May graduation date. The student's official EHS transcript will reflect the completion date of the course as the graduation date. If a student returns to EHS to complete a course, he/she can participate in the following year's graduation ceremony.
- Hardships can be presented to the school administration for consideration by the academic committee as per board policies.

DISMISSAL DUE TO STORMS

When severe storm conditions exist, it may become necessary to call off school. Should school be called off, an announcement will be made over a variety of news media by 7:00 am. The school administration strongly urges parents, particularly those living in the country, not to send their children to school on days when storm and road conditions create a definite hazard to the lives and welfare of the students. Parents are encouraged to sign up for district texting notification on the district website.

Dual Credit/ College Classes

Dual credit is credit that is applied to both the student's high school transcript as well as their college transcript. EJSJ students can receive dual credit for specific classes that students take while attending EJSJ within the school day subject to Administrative approval. Those classes include, but not limited to: English Comp I and II, Public Speaking, College Algebra, Psychology, Sociology, Virtual College Classes and Certified Nurses Aid. Arrangements need to be made in advance to receive proper credit and all EJSJ eligibility rules apply.

EARLY GRADUATION

To be considered for early graduation from Ellsworth High School, students must have attended high school for seven semesters, earned the appropriate required credits for graduation, and complete a declaration of intent to graduate early prior to the first three weeks of their seventh semester. Prior planning will generally be necessary to complete such plans. Seniors graduating at semester will have the privilege to attend graduation ceremonies with their class, if they attend practice and adhere to the behavioral and dress requirements of EHS students at school activities. However, these students will forfeit all other privileges as seniors, i.e. Junior-Senior prom, membership in school organizations and holding office in school club(s). Students wishing to graduate at an earlier date than the fall semester of senior year must have prior administrative and board approval and must meet all graduation requirements.

ELIGIBILITY

A key tool to be used by teachers, coaches, students, parents, and administrators to keep our students focused on the importance of keeping a balance between academics and activities is the eligibility policy of our school, which is listed below:

- All students will have their names placed on a weekly eligibility list. Students below 60% will be identified by the F (failing) grade designation.
- A student who receives an F on the eligibility sheet will be subject to the following:
 - It is the student's responsibility to be aware of their eligibility status.
 - The student will be placed on academic probation for two weeks, at which time the F must be raised to at least a D or they will be placed on the ineligible list for the next week following the probationary week.
 - Parents, head coaches and sponsors will also be notified weekly of a failing grade.
 - Eligibility grade standing will be determined each Monday and no change in eligibility will occur during the remainder of the week.
 - Ineligible students will be denied participation in activities related to an academic course that would remove the student from a class that he/she is failing.
- Co-Curricular activities that take place outside the school day and are non-sanctioned by KSHSAA are excluded from this eligibility policy. Co-curricular activities are defined as activities where the grade is affected by the student participating in that particular activity.
- Ineligible students are prohibited from participating in all school dances and fun nights or any other student activities. This includes Homecoming and Prom.
- School weeks with three days or less will not be detrimental to one's eligibility standing.
- Ineligible students are prohibited from participating in KSHSAA activities and extracurricular activities.
- Students who do not pass five of eight classes in a semester are not eligible to participate during the following semester.
- Homecoming candidates need to be passing all of their classes at the time of balloting to ensure eligibility for Homecoming. An exception to this would be if balloting overlaps with the end of the semester and resets a student's eligibility.

EMERGENCY PROCEDURES

Students will remain under the direct supervision of their teacher until released by school personnel. Parents removing their student from the class group during such emergency must first obtain permission from the school principal or his designated representative. Drills will be conducted as required by law for emergencies such as fire, tornado, lock downs, lock ins, lock out, and civil defense/disaster, etc.

EMERGENCY SAFETY INTERVENTIONS

The board of education is committed to limiting the use of Emergency Safety Interventions ("ESI"), such as seclusion and restraint, with all students. Seclusion and restraint shall be used only when a student's conduct necessitates the use of an emergency safety intervention as defined below. The board of education encourages all employees to utilize other behavioral

management tools, including prevention techniques, de-escalation techniques, and positive behavioral intervention strategies.

This policy shall be made available on the district website with links to the policy available on any individual school pages. In addition, this policy shall be included in at least one of the following: each school's code of conduct, school safety plan, or student handbook.

Definitions (See K.A.R. 91-42-1)

- **"Seclusion"** requires all three of the following conditions to be met: (1) the student is placed in an enclosed area by school personnel; (2) the student is purposefully isolated from adults and peers; and (3) the student is prevented from leaving, or reasonably believes that the student will be prevented from leaving, the enclosed area.
- **"Chemical Restraint"** means the use of medication to control a student's violent physical behavior or restrict a student's freedom of movement.
- **"Mechanical Restraint"** means any device or object used to limit a student's movement.
- **"Physical Restraint"** means bodily force used to substantially limit a student's movement.
- **"Physical Escort"** means the temporary touching or holding the hand, wrist, arm, shoulder, or back of a student who is acting out for the purpose of inducing the student to walk to a safe location.
- **"Time-out"** means a behavioral intervention in which a student is temporarily removed from a learning activity without being confined.

Prohibited Types of Restraint

All staff members are prohibited from engaging in the following actions with all students:

Sexual harassment of employees or students of the district by board members, administrators, certificated and support personnel, students, vendors, and any others having business or other contact with the school district is strictly prohibited.

All forms of sexual harassment are prohibited at school, on school property, and at all school-sponsored activities, programs or events. Sexual harassment against individuals associated with the school is prohibited, whether or not the harassment occurs on school grounds.

STUDENT LOCKERS

A locker with a combination lock is assigned to each student. Lockers are owned by the school and loaned to the students for their use. To insure maximum

security the combination to each locker is changed each year. That combination is given only to the student assigned to that locker. It is the student's responsibility to keep the locker locked and possessions kept inside. Personal locks may not be put on lockers unless the principal grants permission. Valuable non-school articles should not be brought to school. The school is not responsible for any losses that may occur. The principal or his/her representative has the authority and right to open and inspect any locker when deemed necessary. Lockers will be subject to periodic inspections. Warrants issued by the courts may also provide reason for entering specified lockers. Students are expected to take good care of lockers and to use them properly.

TECHNOLOGY ACCEPTABLE USE POLICY

The Ellsworth-Kanopolis-Geneseo School District strongly believes in the educational value of electronic services and recognizes their potential to support its curriculum and student learning by facilitating resource sharing, innovation, and communication. By deploying a filtering system, USD327 will make every effort to protect students and teachers from any misuses or abuses as a result of their experience with an information service. This places USD327 in compliance with CIPA (Children's Internet Protection Act). You and your child's signatures will indicate acknowledgment and understanding of the following standards. These standards have been cross-referenced with other sections of the USD327 *Student Code of Conduct* to provide information to students and parents regarding possible violations and consequences.
