SECLUSION AND RESTRAINT

A student will not be subject to seclusion or restraint unless the student's behavior poses an imminent risk of injury to the student or others. However, significant violations of the law, including assaults on students and staff, will be reported to the police. As soon as possible after any use of seclusion or restraint, the student's parent or guardian will be informed and provided with a detailed account of the incident, including the circumstances that led to the use of seclusion or restraint.
