● **Face masks or face shields are strongly encouraged to be worn by all students. Students will be required to wear a mask while riding a school bus.**

Bus Transportation

- All buses will be sanitized on a daily basis.
- Students will have their temperature checked before they are able to enter the bus. This will be done with a touchless thermometer.
- Face mask must be worn by all students while riding school bus.

- Hand sanitizing stations will be located on buses and used upon entering.
- Several windows should be slightly opened for ventilation when possible.
- The district highly recommends that parents transport students to and from school.

Elementary Car Riders

- Students will have their temperature checked at their vehicle. This will be done with a touchless thermometer. If a student has a fever, they will not be allowed to stay at the school.
- The district highly recommends that parents transport students to and from school.

High School

- Students will enter the building at designated entry points each morning. At this time their temperature will be checked prior to entering the building. This will be done with a touchless thermometer. If a student has a fever, parents/guardians will be contacted to pick up their child. Students will not be allowed back to school until after they are fever free for 24 hours without medication.

Visitors

- Visitors will only be allowed in the office area or a room designated by the principal. (Parent/Teacher conferences shall be held by phone, Zoom, FaceTime, etc., when possible.)
- It is requested that parents/guardians do not come to the school unless it is an emergency. Please call the school to handle most situations.
- Parents/guardians will not be allowed into the school building on the first day of school to walk students to class.

Classrooms

- Cleaned daily between classes and electrostatically sprayed each day.
- Hand sanitizer will be provided and used in every classroom.
- Items will not be shared among students. (Pencils, paper, etc.)
- Students will be spaced apart as far as possible in classrooms.
- Students may bring their own water bottle to fill at water filling stations.

Cafeteria

- Hand sanitizer will be provided in cafeteria.
- Breakfast: Students will get their meal and take it to their homeroom or 1st period class while others

may be socially distanced in the cafeteria.

- Lunch: Students will social distance in line to get meals and follow the schedule/plans that their principal has put into place. Students may sit in the cafeteria while socially distancing, while others may pick up their lunch and take back to their designated room. Some students may have lunches delivered to their classroom.
- Workers will wear mask and gloves while preparing and serving food to staff and students.

Restrooms

- Students must wash or sanitize hands before leaving restroom.
- Sanitizer will be in place at restrooms.
- Bathrooms will be cleaned 2 times a day or more if needed.
- Electrostatically sprayed each day..

Miscellaneous

- Hand sanitizer dispensers will be at all building entryways and various points throughout the hallways.
- Recess will be limited to small numbers throughout the day. Students will also stop by restroom after coming from the playground for handwashing.
- CCSD will notify parents/guardians of all students and employees who were within 6 feet for an extended period of time of someone who tested positive for COVID-19. All areas that an individual who tested positive for COVID-19 has been for extended periods will be electrostatically sprayed.
- If there is an outbreak of cases of COVID-19 at one time, then we may choose to close the school site for extensive cleaning. If this happens, then we will transfer to distance learning for the time school is closed.
- Students who have a fever at school will be isolated from the general population and will be required to wear a mask. Parents/guardians will be called to pick up their child. Students will not be allowed back to school until after they are fever free for 24 hours without medication. It is at the parent's discretion that the child be tested for COVID-19.
- It is extremely important that parents/guardians provide their child's school with a current, working phone number in case of an emergency. Please notify the school if there is a change to your phone number.

Choctaw County School District App—

Parents are recommended to download the CCSD app. This is a free app that can be found by searching CHOCTAW COUNTY SCHOOL DISTRICT in the app store. The district, as well as individual schools, will be posting important information and daily activities through this app.
