Online/Virtual Instruction Agreement

If you wish for your child to participate in non-traditional classroom instruction which will apply toward attendance, the following agreement must be signed and returned to the school office.

Please indicate with your initials that you understand the following:

- I am applying for my child to receive classroom instruction via online/virtual/packet format.
- I understand that I can only make one change from non-traditional to traditional per semester.
- If I do not have Internet capabilities at home, I will contact the school to determine the best method of providing access to instruction. Otherwise, I am indicating that I have reliable Internet.
- I understand that my child is responsible for completing all classroom assignments and returning completed work on time, or their grades will be negatively affected.
- I will ensure the work and all assignments are completed and returned at the assigned times.
- I understand that my child will need to come to the school building to complete some assessments/tests at the school appointed time.
- I understand that this agreement must be turned into my child's school by July 31, 2020. stated below.
- I understand that the non-traditional model may not be equitable to the traditional model.
