July 9, 2020

Dear Parents/Guardians:

Willingboro Public Schools is committed to providing our student-athletes, coaches, and community a safe return to play. The New Jersey State Interscholastic Athletic Association (NJSIAA) marked the initial step towards a fall season return to high school sports with the release of guidelines for workouts during the summer recess period. Currently, the summer recess period is scheduled to begin on July 13, 2020, and extend through August 31, 2020. We have a comprehensive safety plan in place for the return of student-athletes to our facility, but we want to take the necessary precautions due to the recent increase in positive COVID-19 cases across the country. For this reason, Willingboro Public Schools Athletic Department will not open on the July 13, 2020 date. We will continue to monitor the trends over the next few weeks to secure an opening date for a safe return for summer workouts. Willingboro Public Schools prioritizes the safety of the students and staff and we are taking the start of the 2020-2021 athletic program very seriously.

In preparation for starting any type of workouts, all parents must complete the MANDATORY Questionnaire. You must complete the questionnaire before you are permitted to come on campus at Willingboro High School for any Athletic activities at least 7 days prior to your arrival to the High School. Please click on the link to complete the survey: <https://forms.gle/r1XFqMaSFWwzfVFG7>

We appreciate your continued support and partnership.

Leon Owen

Director of Athletics and Health/PE
