Dear Parents/Guardians:

The Lennox School District is required to identify possible English Learners (ELs) during enrollment. This Home Language Survey (HLS) is used as a tool to determine if your child is eligible for language support services. If a language other than English is used by you or your child and your child meets the English Learner (EL) definition, we may give your child an English Language Proficiency assessment. We will share the results of the assessment with you.

Please complete the survey below and return to your child's teacher.
