

# **2020-2021 Coyle Public Schools Re-Entry PLAN A, B, & C**

## **PLAN A**

### **SCHOOL DISTRICT SCREENING PROTOCOL**

In an effort to prevent the spread of communicable diseases, especially during a pandemic or public health crisis, the district may implement the following protocol to control and restrict access to school property, activities and events:

1. The district encourages parents, legal guardians, and all school employees to self-screen at home. See pages 2 & 3 for the CDC Screening List.
2. If a student or employee has a temperature of 100.5 degrees Fahrenheit or higher, the student or employee should remain at home until the individual has been free of fever for twenty-four (24) hours without fever reducing medication.
3. The district may screen any individual who enters a school facility which screening process may include taking temperatures, asking health-related questions, and isolating those that have symptoms of a communicable disease.
4. The district will adhere to guidelines set by local, state and federal health and safety guidelines when feasible.
