

	ABERDEEN SCHOOL DISTRICT	NEPN Code: CHD
	POLICIES AND REGULATIONS	

ADMINISTRATION AUTHORITY IN POLICY ABSENCE

It is the policy of the Aberdeen School Board that, in the absence of School Board policy governing a set of circumstances, the superintendent or his/her designee is authorized to act in managing any situation(s) which may arise that affect District operations. The decision will be made on the basis of what the policy would be if it existed. Such decisions will be reported to the President or Vice-President of the Board as soon as practical and to the Board at its next meeting. The superintendent or his/her designee will not be free to act when the action involves a duty of the Board that by law cannot be delegated.

When appropriate, the administration will develop and prepare policies for School Board consideration to govern situations of a recurring nature.
