

	<b>ABERDEEN SCHOOL DISTRICT</b>	<b>NEPN Code: EFE-R</b>
	<b>POLICIES AND REGULATIONS</b>	

## **REGULATIONS: VENDING MACHINES**

The placement of machines will be in cooperation with the site administration and the vendor. Any installation costs including, but not limited to wiring or alterations will be at the expense of the vendor.

Sites will not have jurisdiction over areas supervised by existing contracts or understandings, such as the arena concession stand, the snack bar in Central's food service area, and the concessions at Brownell Field during school sponsored events.

The District will be reimbursed for all expenses in relation to the installation, operation of and removal of vending machines.

The District will contract with a successful vendor(s) through a competitive selection process that it deems appropriate to ensure that the profits created at each site are returned to that site for their discretionary use.
