STUDENT DRESS AND GROOMING

The School Board recognizes that it is the prerogative of parents to determine what is appropriate dress and grooming for their children in accordance with the age and grade of these students. It is hoped that decisions made by parents and students in these matters will reflect favorably upon the individual, the school and the community.

There are certain restrictions necessary on a student's dress and grooming when such dress and grooming may create a health or safety hazard, invade the rights of others, or be disruptive to the educational environment by detracting from the decency and decorum in school. It shall be the responsibility of the building principal to determine violations of the intent of the above policy and to take necessary corrective action.
