In the event of an emergency, the Aberdeen School District's procedures and guidelines are outlined to assist staff members in dealing with the situation. The purpose of the Safety Management Plan is to maintain a unified and predictable plan of action by school personnel in the event of an emergency.

The objectives of the Safety Management Plan are:

- To assure safety and welfare of students and staff.
- To communicate with staff, students, parents and community through the most effective and practical manner.
- To meet special needs of students and staff affected by a crisis.
- To enable a building to continue instruction and carry out established routines, rules and regulations.
