	POLICIES AND REGULATIONS	

DISTRIBUTION/POSTING OF PROMOTIONAL MATERIALS

The Aberdeen School District recognizes the important link between schools and the local community. The District will make available to students information regarding recreational and educational opportunities distributed by city and county governmental units and by non-profit organizations that have provided the District with a copy of their IRS tax-exempt notification.

Information to be distributed to students shall have prior approval from the Superintendent's office based on the following criteria:

- Must promote a social, recreational, or educational benefit to Aberdeen Public School students
- Must not include offensive language
- Must not be in conflict with Aberdeen School District policies, guidelines, or programs
- Must not discriminate and be open to all students regardless of race, color, creed, religion, age, gender (including pregnancy), disability, national origin or ancestry, genetic information, military/veteran status, or any other category protected by law.
- Must be appropriate for specified grade level identified
- Must include a local contact name and phone number
- Fundraising outside the Aberdeen School District is not permitted

All material approved for digital flyer delivery shall include the following disclaimer which will automatically be attached to the flyer: "The Aberdeen School District neither endorses nor sponsors the organization or activity represented in this document. The distribution of this material is provided as a community service." If the District co-sponsors a specific activity or event with an outside organization, the disclaimer may be waived.

Approved materials will be e-mailed directly to households as well as accessed from the District website.

No instructional time will be used to present information regarding non-school programs.
