## Benefits and Compensation

### Insurance

The board shall provide certain employment benefits for full time classified employees and bus operators with benefits:

#### Health Insurance

The board shall pay a monthly fringe benefit amount, to be determined annually by the board of education, for each fulltime employee and bus operator with benefits as partial payment towards a group health plan. The fringe allocation must be applied to the enrollment premium in the district sponsored health insurance program. The benefit is lost if the employee chooses not to participate in the district sponsored health insurance plan.

The district will provide those full time employees who choose not to enroll in the district sponsored health insurance plan a monthly amount approved annually by the Board of Education to be used to purchase an annuity and/or other insurance product. This benefit must be chosen when employed and annually in August during the employee benefit/payroll enrollment. Contact the central office to determine the amount.

### Leaves and Absences GCRG

Leaves of absence may be granted to classified employees.

Part time employees have no paid leave.  
Temporary employees have no paid leave.

#### Procedure for Requesting Leave

All employees requesting paid or unpaid leave are required to complete the request in the META system and have approval from their supervisor before they are allowed to take any kind of leave. If leave is unexpected (such as waking up sick) the employee is required to contact their supervisor to inform them of the unexpected incident. Once the employee returns to work they are required to request the leave in the META system and have their supervisor approve the leave.

An employee on paid leave during the year shall be compensated at his/her regular rate of pay while absent from work, if the following conditions are met

- The employee has requested the leave in the META system.
- The requested leave has been approved by their supervisor and or Superintendent.

- The employee meets the requirements for the leave
- The employee has the type of leave requested available to use.

#### **Bereavement Leave**

Employees may request to attend funerals for members of an employee's or spouse's immediate family, which shall be deducted from sick leave. Immediate family will include husband, wife, father, mother, brother, sister, children, grandfather, grandmother, grandchildren or other relatives whose regular residence was in the home of the employee.

Employees who meet these criteria shall complete the "Application for Leave" form, check the bereavement box, and write on the additional info: line whose funeral they will attend and state their relationship to the deceased. The completed form is given to their supervisor for approval.

Other absences to attend funerals must be approved by the superintendent through the supervisor; however, absence for the day will be without pay or as arranged by the superintendent.

#### **Personal Business or Emergency Leaves**

Fulltime employees employed after January 1 of the current school year will receive 1 personal day. Bus drivers with benefits will receive 1 personal day. All other full time employees' will receive 2 personal days. A new employee or a current part-time employee who is later employed full-time will not receive any personal leave days until they have worked 90 full-time days with the district. Personal leave days must be used by the last regularly scheduled work day or June 30th, whichever comes, first.

#### **Sick Leave**

Fulltime employees and bus drivers with benefits will accrue one sick day per month worked. (i.e., custodians receive 12 days per year, para's and bus drivers with benefits receive 9 days per year.) Sick leave may be used for illness of the employee or person living in the employee's household. Sick leave may also be used for illness of the employee's immediate family. Immediate family includes spouse, father, mother, brother, sister, children, grandmother, grandfather, or grandchild.

Documentation may be required for extended sick leave and or excessive use of sick leave.

An employee may accumulate up to 100 days of sick leave. Unused sick leave will be reimbursed at the rate of fifteen dollars (\$15) per day after fifteen (15) years of service in the Holcomb School system. Additionally this rate will be increased one dollar (\$1) per day for each additional year's service in the system. After twenty-five (25) years in the district, the rate for

all years will be increased from \$1.00 per day to \$1.50 per day. As an example: \$16.00 per day of unused sick leave after sixteen years. \$37.50 per day of unused sick leave after twenty-five years. This amount will be paid upon resignation, retirement, or paid to the estate upon death. No payment will be made if employee is terminated.

### **Volunteer Sick Leave Donation Plan**

Staff members will be allowed to voluntarily donate accumulated sick leave days to other classified staff based on the following guidelines:

To be eligible as a recipient or donor of the Volunteer Sick Leave Donation Plan:

1. The employee requesting the donation of volunteer sick leave days must have completed one year of employment with USD 363 and used all their available sick and personal leave days.
2. An employee may request volunteer sick leave days only in the event of a catastrophic or extended personal illness or injury; injury or death of an immediate family member (father, mother, husband, wife, grandfather, grandmother, children and grandchildren, brother, sister) requiring an extended absence from work that is not covered by the employee's accumulated sick leave. It is not the intent of the plan to be an extension of leave days, nor is it intended for ordinary illness including maternity leave (unless there are unforeseen complications.)
3. It must be determined if the medical leave absence would result in the loss of pay for a minimum of three days which will be credited through the volunteer sick leave donations. All correspondence will be from the superintendent's office. The employee will not solicit days from staff members.
4. The request must be made on the appropriate form and sent to the Clerk.
5. The employee is required to provide the specific reason for requesting leave from donors.
6. The Volunteer Sick Leave Donation Plan is not available for an employee receiving pay or eligible to receive pay from Worker's Compensation or KPERS disability.
7. The decisions regarding the use of the Volunteer Sick Leave Donation Plan and the interpretation of these decisions shall not be the basis for any grievance.

8. A physician's documentation justifying the medical condition or other documentation relating to an immediate family member's injury or death is required, and this statement will be attached to the Donation for Sick Leave Days Request form.
9. An employee who has between twenty and forty-nine accumulated sick leave days may donate one day annually. An employee with fifty or more accumulated sick leave days may donate a maximum of three days per year.
10. Donated days will be posted and utilized by the date and time received. Any donated day(s) not utilized will be credited back to the donor's accumulated sick leave, and the donor will be notified through an email or inter-office mail of such transaction.

The superintendent will review the request. If approved, the clerk will notify district employees of the employee's request for donated days and the donated days received will be made available to the employee requesting the donated days.

#### **Snow/Ice Leave**

One paid snow/ice day will be allowed per year for full time employees when the weather is such that school has been cancelled and the conditions are too hazardous for travel. For those fulltime employees who report to work on a snow/ice related day, the personal day may be taken in June.

#### **Professional Leave**

The district supports attendance in workshops/seminars to assist personnel in pursuing job related education training. Personnel must submit a written request to the supervisor containing information on the workshop/seminar. A copy of the leave form will be returned to the employee stating approval or denial of the request.

If approved, the district will provide workshop/seminar fee, transportation, motel expense, and \$10.00 per meal. For reimbursement see "Reimbursement/Travel Expenses" pg. 13

#### **Family and Medical Leave**

(GARI) Family and medical leave shall be granted for a period of not more than 12 weeks during a 12-month period. For purposes of this policy, a 12-month period shall be defined as a

fiscal year beginning on July 1 and ending the following June 30.

Leave is available because of:

1. The birth of a son or daughter of the employee and to care for the son or daughter;
2. The placement of a son or daughter with the employee for adoption or foster care;
3. The need to care for a spouse, son, daughter or parent of the employee because of a serious health condition; or
4. A serious health condition of the employee that prevents the employee from performing the job functions.
5. any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a covered military member on active duty (or has been notified of an impending call or order to achieve active duty) in support of a contingency operation; and
6. the need to care for a covered service member with a serious injury or illness if the employee is the spouse, son, daughter, parent, or next of kin of the service member. Eligible employees are, for reason (6) only, entitled to a combined total of 26 workweeks of leave during a 12-month period.

(Leave for reason 1 or 2 must be taken within 12 months of birth or placement.)

The leave shall normally be unpaid leave. However, if the employee has any paid vacation, personal, sick or disability leave that is available for use because of the reason for the leave, the paid leave shall be used first and counted toward the annual family and medical leave. The superintendent will notify the employee prior to or during the leave period that the leave has been designated as paid family and medical leave.

The employee is eligible for family and medical leave upon completion of 12 months of service in the district and employed at least 1250 hours during the preceding year.

During the period of any unpaid family and medical leave the board shall continue to pay the employer's share of the cost of group health benefits in the same manner as paid immediately prior to leave in either of the options described below:

1. The board shall continue to pay the employer's share until the end of the twelve week family and medical leave.
2. If the employee cannot return to work following the family medical leave and the employee has applied for KPERS disability, the benefit will continue in the same manner until the one-hundred and eighty day waiting

period has expired.

The board will continue to pay for the health insurance as detailed above according to whichever provision provides the longest benefit. Any employee portion of the cost shall be paid by the employee to the clerk of the board on or before the first day of the month in which the premium is due or at another time as the employee and superintendent may agree. The board may terminate group health coverage if the employee payment is not received within 30 days of the due date.

When leave is foreseeable, the employee shall give written notice 30 days in advance. If leave is not foreseeable, notice will be given as soon as practicable.

Upon the employee providing notice of need for leave, the employer will notify the employee of:

1. The beginning date of family and medical leave and the amount of the employee's accrued paid leave designated as family medical leave;
2. Any requirements for medical certification;
3. Employer requirement that paid leave be used first;
4. Requirements for premium payments for health benefits and employee responsibility for repayment if employer pays employee share;
5. Right to be restored to same or equivalent job; and
6. Notice being required from medical personnel indicating the release of the employee to resume duties (such statements shall be provided at the employee's expense).

Family leave (reasons 1 or 2) may not be used intermittently or on a part-time basis without the prior approval of the superintendent.

The superintendent may require an instructional employee to continue leave until the end of the semester if the leave begins more than five (5) weeks before the end of a semester, lasts more than three (3) weeks and the return would occur during the last three (3) weeks of the semester.

If the leave is for a reason other than the employee's serious health conditions, the superintendent may require an instructional employee to continue leave until the end of a semester, if;

1. The leave begins in the last five (5) weeks of a semester, will last more than two (2) weeks and the return to work would

- occur in the last two (2) weeks of a semester; or
2. The leave begins in the last three (3) weeks of a semester, and lasts more than five (5) days.

### **Military Leave**

(GARID) Employees are entitled to military leave under the Uniformed Services Employment and Reemployment Act of 1994. The Act applies to military service that began on or after December 12, 1994 or military service that began before December 12, 1994 if the employee was a reservist or National Guard member who provided notice to the employer before leaving work.

Reemployment rights extend to persons who have been absent from work because of “service in the uniformed services.” The uniformed services consist of the following military branches:

- Army, Navy, Marine Corps, Air Force or Coast Guard.
- Army Reserve, Navy Reserve, Marine Corps Reserve, Air Force Reserve or Coast Guard Reserve.
- Army National Guard or Air National Guard.
- Commissioned corps of the Public Health Service.
- Any other category of persons designated by the President in time of war or emergency.

“Service” in the uniformed services means duty on a voluntary or involuntary basis in a uniformed service, including:

- Active duty.
- Active duty for training.
- Initial active duty for training.
- Inactive duty training.
- Full-time National Guard duty.
- Absence from work for an examination to determine a person’s fitness for any of the above types of duty.

The employee may be absent for up to five (5) years for military duty and retain reemployment rights. There are, however, exceptions which can exceed the five (5) years limit. Reemployment protection does not depend on the timing, frequency, duration or nature of an individual’s service. The law enhances protections for disabled veterans including a requirement to provide reasonable accommodations and up to two (2) years to return to work if convalescing from injuries received during service or training.

The returning employee is entitled to be reemployed in the job

that they would have attained had they not been absent for military service, with the same seniority, status and pay, as well as other rights and benefits determined by seniority. If necessary, the employer must provide training or retraining that enables the employee to refresh or upgrade their skills so they can qualify for reemployment. While the individual is performing military service, he or she is deemed to be on a furlough or leave of absence and is entitled to the non-seniority rights accorded other individuals on non-military leaves of absence. Individuals performing military duty of more than 30 days may elect to continue employer sponsored health care for up to 18 months at a cost of up to 102 percent of the full premium. For military service of less than 31 days, health care coverage is provided as if the individual had never left. All pensions which are a reward for length of service are protected.

Individuals must provide advance written or verbal notice to their employers for all military duty. Notice may be provided by the employee or by the branch of the military in which the individual will be serving.

Notice is not required if military necessity prevents the giving of notice; or, the giving of notice is otherwise impossible or unreasonable.

Accrued vacation or annual leave may be used (but is not required) while performing military duty. The individual's timeframe for returning to work is based upon the time spent on military duty.

| Time Spent On Military Duty          | Return to Work or Application for Reemployment  |
|--------------------------------------|---|
| Less than 31 days:                   | Must return at the beginning of the next regularly scheduled work period on the first full day after release from services, taking into account safe travel home plus and eight (8) hour rest period. |
| More than 30 but less than 181 days: | Must submit an application for reemployment within 14 days of release from services.  |
| More than 180 days:                  | Must submit an application for reemployment within 90 days of release from service.   |

The individual's separation from service must be

under honorable conditions in order for the person to be entitled to reemployment rights. Documentation showing eligibility for reemployment can be required. The employer has the right to request that an individual who is absent for a period of service of 31 days or more provide documentation showing:

- the application for reemployment is timely;
- the five-year service limitation has not been exceeded;
- and, separation from service was under honorable conditions.

If documentation is not readily available or it does not exist, the individual must be reemployed. However, if after reemploying the individual, documentation becomes available that shows one or more reemployment requirements were not met, the employer may terminate the individual, effective immediately. The termination does not operate retroactively.

Questions should be directed to Veterans' Employment and Training Service, U.S. Department of Labor.

Kansas law also requires reemployment if an individual is called to active duty by the state.

Injuries occurring at work due to horseplay are not covered under this policy. The injury must be work related.

It shall be considered a violation of this policy if any employee clocks in or out for any other employee. "Forgetting" to use the META system may also be considered a violation. Such violations may result in

disciplinary action including termination. If an employee misses a punch or needs their hours corrected they are to contact their immediate supervisor for assistance in getting their hours recorded accurately.

Electronic time cards shall be reviewed and approved by the employee and supervisor no later than Tuesday following the last day of the pay period. After that date all hours are assumed correct and the employee will be paid for hours worked based on the hours in the system.

**The timecard is a legal record of hours an employee has worked, and the paycheck is based on that recorded time. Therefore, it is imperative that the timecard is correct and recorded in a timely manner.**
