Position: Information Technology (IT) Instructor

Location: Grant Career Center

Start Date: August 12, 2020

Salary Range: Salary is commensurate with educational preparation and work experience in the field.

Benefits: Based upon Board Policy

Work Year: 185 days per year

Position Description:
An enthusiastic teacher is needed to provide classroom instruction for Information Technology and coding courses. The successful candidate will be both innovative and creative, possess a commitment to career technical education, and an overall passion for project, problem-based learning with real world application. This teacher is responsible to ensure all students acquire some industry-based credentials including, but not limited to CompTIA A+, CompTIA Network+, CompTIA Security+, CompTIA IT Strata Fundamentals, Microsoft Associate IT Infrastructure, and/or more.

Minimum Qualifications:
To be qualified for this position, applicants must possess:
- Valid licensure, certification, and/or registrations as required by the Ohio Department of Education (or any governing body associated with the education programs directed) or the ability to obtain one;
- Industry-based experience in the field of Information Technology;
- Effective and demonstrated problem solving, critical thinking, analytical, oral and written communication, and organizational skills;
- History of strong work record, including good job attendance; and
- Documented evidence of acceptable criminal record as required by Ohio law and Board Policy.

Application Deadline:
- Please apply to the Superintendent’s Office as soon as possible, not later than Monday, July 27, 2020 (or until filled).
- Submit letter of interest, resume, at least 3 references, and copies of licenses (if applicable).

Please submit applications to:
Mrs. April Graybill, Superintendent’s Assistant
