DISCUSSION SNAPSHOT

Galesburg High School North Transition: Jason Spring and Mindi Ritchie presented on the current state of GHS North. Jason Spring concluded the presentation by announcing that he will be stepping down as GHS North principal after 9 years. He has been hired for a different position within the district.

Construction Updates: A video created and designed by Legat Architects of the GHS 10-12 wing was shared with the BOE, you can view the video by clicking [here](#). Auditorium options for GHS were also presented to the BOE. A complete list of options and cost proposals can be found on the district website, www.galesburg205.org. Click Explore, then select "District 205 Facility Updates" to view all the building updates. To see the options for the auditorium, please click [here](#).

2020-2021 School Year Committees: Various committees are meeting during the week to review back to school plans and options. The committees will each write a narrative about what the return to school might possibly look like for the students and staff in CUSD #205.
