

## Magnolia School District

### Campus Visitors Guidelines-Procedures

- All visitors must report to the front office of each campus upon arrival.
- Facemasks are required for all visitors before being allowed entry.
- For parents who are checking in/out a student, please maintain proper distancing from others who may also be waiting.
- No visitors will be allowed beyond the front office without prior scheduling and approval from campus administration/counselors.
- Recognizing it is not always possible, calling the front office ahead of time and giving a reason for an upcoming visit will allow office staff to safely and quickly assist you in checking in/out students or for answering any questions about a visit to our campuses.
