

GUIDELINES FOR PUBLIC COMMENT

A School Committee Meeting is a meeting of a government body at which members of the body deliberate over public business. We welcome the attendance of members of the Maynard school district community to view your School Committee as it conducts its regular business meeting.

Massachusetts General Laws Chapter [30A Section 20\(f\)](#) governs public participation at open meetings covering all public bodies.

Chapter 30A:20 [Notice, Remote Participation, Public Participation, Certification]

(f) No person shall address a meeting of a public body without permission of the chair, and all persons shall, at the request of the chair, be silent. No person shall disrupt the proceedings of a meeting of a public body. If, after clear warning from the chair, a person continues to disrupt the proceedings, the chair may order the person to withdraw from the meeting and if the person does not withdraw, the chair may authorize a constable or other officer to remove the person from the meeting.

The School Committee believes that the school district community should have an opportunity to comment to the Committee on issues that affect the school district and are within the scope of the Committee's responsibilities. Therefore, the Committee has set aside a period of time at each School Committee meeting to hear from the public. In addition, if the Committee believes that an issue requires a dialogue with the school district community, the Committee may schedule a separate public hearing on that issue.

Any citizen who wishes to make a presentation to the School Committee on an item that is of interest to them and within the scope of the Committee's responsibilities may request to be placed on the agenda for a particular meeting. Such a request should be in writing and should be received by the Superintendent of Schools at least one week prior to the date of the meeting. Such a request should contain background statements

that would explain the scope and intent of the agenda item. The Chair of the Committee works with the Superintendent to formulate the meeting agendas. Together they will determine whether or not to place an item on the agenda and if the item is to be taken up they will also determine when to place an item on the agenda and all parameters to be required of the presenter.

Here are the general rules for the Committee's public comment period:

1. Public Comment shall be for a period of 15 minutes and shall generally follow the opening of the meeting. The Committee reserves the right to rearrange its agenda to accommodate scheduled presenters.
2. Any citizen wishing to speak before the Committee shall identify themselves by name and address and shall speak for no longer than 3 minutes. No citizen may speak more than once without permission of the Chair. All citizens shall speak to the full Committee through the Chair and shall not address individual members or administrators.
3. Individuals may address topics on the agenda, items specified for public comment, or items within the scope of responsibility of the School Committee. The Chair shall rule out of order any individual who fails to honor the guidelines or who addresses a matter inappropriate for public comment.
4. Any Committee member may direct questions to the speaker through the Chair in order to clarify the comments of the speaker.
