Dear Parents,

We are pleased to inform you that the District has been able to secure an affordable insurance option that will cover your child's Chromebook for the remainder of this school year. Worth Ave. Group can provide replacement cost coverage and protect the Chromebook against accidental damage (cracked screens/liquid spills), vandalism, theft, fire, flood, natural disasters and power surge due to lightning strikes.

Buying insurance is an annual option and parents may choose between two different coverages. Please note that the difference in coverage is adding or removing the "Theft and Vandalism" option to your policy coverage. If you choose not to purchase coverage for your student's device, please be advised you are liable for any and all damages done to the Chromebook while in your student's possession and are still required to pay the \$100 deductible.

All claims will be handled by our school district once the insurance has been purchased directly from the Worth Ave. Group. The policy term is 09/01/2020 to 08/31/2021 and both have a \$0 deductible. Your two options are as follows:

Full Coverage: \$29.00

- ✓ Accidental Damage (Drops & Spills)
- ✓ Cracked Screen
- ✓ Liquid Submersion
- ✓ Fire, Flood & Natural Disaster
- ✓ Power Surge By Lightning
- ✓ Theft & Vandalism
- ⊗ Manufacture Defect & Mechanical Failure
- ⊗ Standard Wear & Tear
- ⊗ Cosmetic Damage
- ⊗ Unexplained Loss

Accidental Coverage: \$19.00
