Torey J. Sabatini Communication Protocol

To best serve the students of Torey J. Sabatini, it is important for parents to understand who to contact in different situations that may arise. Below you will find a communication protocol which is designed to help promote

DIRECT, OPEN, AND RESPECTFUL COMMUNICATION

so that problems and concerns can be worked out quickly and effectively between the parties involved. We strongly encourage parents to follow this protocol. In turn, our staff members pledge to be sensitive to your concerns, to maintain confidentiality, and to return calls/emails within 24 hours.

By working together, we can continue and strengthen our commitment to student success.

Step One: TEACHER

If you would like an update regarding your child's education, classroom experience, or progress, go right to the source and contact the teacher. Staff emails can be found on the district website by clicking STAFF. Teachers will make every effort to get back to you within 24 hours. Please be patient. If you do not receive a return email or call within 48 hours, proceed by contacting the main office.

or GUIDANCE COUNSELOR

If you require assistance with social/emotional issues, please contact the school's guidance counselor. Below is the contact information for our counselor. The counselor will make every effort to get back to you within 24 hours. If you do not get a response within 48 hours, please call the main office.
