1 package sticker project paper	3 tri-fold project boards (We use these throughout the year, they can either bring them all at the beginning of the year, or as needed later on)
Homework folder of your choice	Talk to coach about PE

Optional List:

Air dry clay for projects.

Notecards

Glue Sticks for hot glue gun

Sharpies and colored pencils (If they want their own, otherwise they have to share what I have)

Locker supplies (shelves, magnetic holders, etc.)

In 6th grade, your student will be responsible for keeping their supplies and assignments organized. Your student will have a locker, and participate in the 3 minute passing period between subjects. That is when they will use the restroom and get their drinks, unless an emergency arises. I am looking forward to having your child in class this year. See you all soon!!!!
