

ALLIANCE CITY SCHOOLS
DISTRICT PROFILE
2020

Alliance City School District

The Alliance City School District is pleased to present its 2020 District Profile!

Each year, the Ohio Department of Education releases an Ohio School Report Card for each district in the state. This report card paints a generalized and often inaccurate picture of the district, and we feel that it does not reflect all of the amazing things happening inside and outside of the classroom that make our students successful.

This Quality Profile will provide a detailed look at some of the things going on in our elementary, middle and high schools, as well as the many extracurricular opportunities that are offered to our students. These programs assist students in developing critical thinking and problem solving skills, helping them gain the tools they need to become successful.

We are proud of all the incredible student athletes, creative thinkers and thought leaders that we have cultivated in Alliance! Our students' success can be attributed to their hard work each and every day, as well as our caring staff, parents and community members.

As you read this Quality Profile, be proud of not only the district, but your contributions as a parent, volunteer or community member. It takes the effort of all of us to continue making Alliance a thriving, high-quality school district.

Vision

All Aviators will graduate prepared for life, college and careers.

Mission

Our mission is for all students to reach their fullest potential and become productive citizens through staff who establish high expectations, a safe, positive and engaging learning environment, and content that supports critical thinking, collaboration, communication and creativity.

Academics

Career Technical Education

Alliance High School offers a number of classes that provide students with hands-on, real-world experience. Several of these classes even offer industry certifications upon completion. Career Technical Education (CTE) classes prepare students for both further education and careers. Alliance High School offers the following CTE classes:

Tech Prep Program: (2 year programs) Automotive Body, Automotive Technology, Media Arts/Video Production, Cosmetology, Interactive Media, Construction Trades, Sports Medicine/Athletic Training, Pre-Medical Professions and Welding/Fabricating.

Available at Marlinton High School: Accounting, Engineering Natural Resources & Environmental Sciences, Turf and Landscape Technologies, Horticulture, Oil and Gas Processing and Engineering Courses.

Technology

The Alliance City Schools understands the need to prepare students for tomorrow's world and, as such, places a high importance on enhancing instruction and students' learning with technology they will be using.

- All classrooms have projectors and most have SmartBoards.
- All teachers have personal laptops.
- All students in kindergarten through grade 12 have access to 1:1 devices.
- Preschool and kindergarten students at the Alliance Early Learning School have started familiarizing themselves with technology with exposure to various devices.
- All students and staff have an ACS email address to correspond with staff and each other.
- Parents and students can access daily progress through our electronic Home Access Portal.
- Parents, students, and community members can download our app to keep informed of district academic and athletic events.
- The district has an active social media presence on Twitter (@AllianceCSD), Facebook (www.facebook.com/alliancecsd), Instagram ([alliancecsd](https://www.instagram.com/alliancecsd)) and Snapchat ([alliancecsd](https://www.snapchat.com/add/alliancecsd)).
- Alliance Intermediate School has a new state-of-the-art science, technology, engineering and math (STEM) lab - exposing students to the process of building and using robots, programming and coding and the use of 3D printers.
- The district incorporates GPS technology

via the "Here Comes the Bus" app that allows families to see exactly where their child's bus is and even be notified when it is within a certain range of their home.

District App

The Alliance City School District has a FREE mobile app. Download it in the Apple App Store and the Google Play store. Just search for Alliance

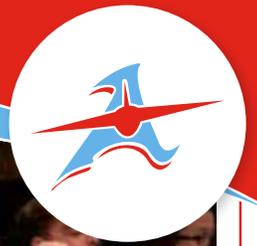

City Schools. The app features:

- Lunch menus
- Sports schedules and live scores
- Bullying report
- News and events
- Personalized live feed

Alliance Middle School - International Baccalaureate School

Alliance Middle School is officially designated as an authorized International Baccalaureate Middle Years Programme School. The IB Middle Years Programme encourages students to become creative, critical and reflective thinkers; challenges students to make connections between their studies in traditional subjects and the real world; brings a connection between local and global engagement; and inspires schools to develop well-rounded students. The IB Programme includes eight classes: physical education and health, art, design, science, math, language acquisition, language and literature, and individuals and society.

Arts

Band/Orchestra

The Alliance City Schools is one of only a handful of school districts to offer an orchestra program, which begins in sixth grade and continues through 12th grade. Students in grades 6-12 can also participate in the band programs.

At the high school, students have the opportunity to perform in jazz band, concert band or the renowned Alliance Aviator Marching Band – The Pride of the Sky.

Vocal Music

The District’s vocal music program begins in Kindergarten allowing our youngest Aviators to experience the joys of music. Students in all grades hold performances throughout the year to demonstrate all they have learned.

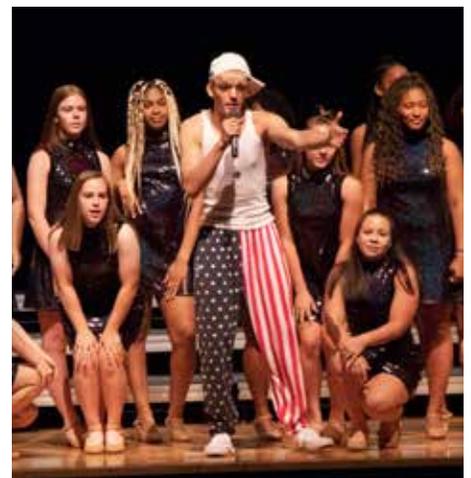

At the high school, students have the opportunity to perform in jazz band, concert band or the renowned Alliance Aviator Marching Band – The Pride of the Sky.

Musical Performances

Each year, Alliance High School students hold musical performances. Past performances include “Willy Wonka and the Chocolate Factory,” “Hairspray” and “All Shook Up.” Students on the stage and behind the scenes work tirelessly to make each show unforgettable. In 2020, AHS hosted the second Royal Aviation Show Choir Competition, an annual competition open to schools in and out of the state with competing show choirs.

Visual Arts

Students in kindergarten through high school participate in visual art classes where they study the history of art while developing their abilities to draw, paint, sculpt and more.

Parent & Community Involvement

The Alliance City Schools is fortunate to have parents, community members, businesses and organizations that support our schools.

Parent-Teacher Organizations

Parkway and Rockhill Elementary Schools have active and hardworking Parent-Teacher Organizations (PTOs).

PTO members volunteer hundreds of hours every year to raise and disperse thousands of dollars to enhance the educational experience for our students.

Alliance High School Booster Club

The AHS Booster Club maintains and manages "The Hangar," an on-site spirit shop at the high school that raises funds for the district's athletic program.

Alliance Middle School Academic Booster

The AMS Academic Booster is a parent led organization dedicated to promoting and raising money for the academic programs at AMS.

Student Services

The Student Services Department provides resources and support to both students and families to ensure our students obtain the education that best meets their needs. The Department:

- Delivers a continuum of services in the area of special education from regular education classrooms to self-contained special education classrooms to intensive settings in alternative buildings.
- Develops and implements 504 plans for students who have diagnosis that interferes with a child's ability to learn at school.
- Utilizes a team of speech-language pathologists, psychologists, occupational therapists and physical therapists to meet the needs of all students.
- Partners with Stark County Mental Health and Addiction Recovery Services to provide mental health services.
- Provides home instruction to homebound students.
- Employs school health aids or nurses at each school.
- Provides gifted education services to identified students.
- Serves as a liaison for family legal/court issues.
- Processes open enrollment applications for students from other districts who are interested in coming to Alliance.
- Arranges for language interpreters for school and at functions throughout the year.
- Coordinates summer school enrichment and intervention programs.
- Provides EL students and families with necessary programming and interventions.
- Provides Positive Behavior Intervention Supports (PBIS) to students.
- Oversees K-12 local and state assessments.
