### How important is it to you that students and staff wear masks?

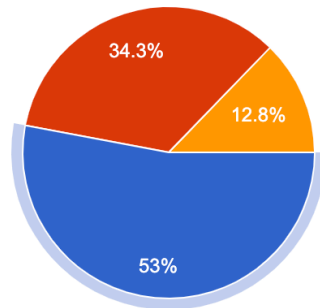

1,013 responses

- Nobody should be required to wear a mask.
- It should be the choice of each individual to wear or not wear a mask.
- Masks should be required when social distancing is not possible.
- Everyone should be required to wear a mask.

### How do you feel about changing the school calendar?

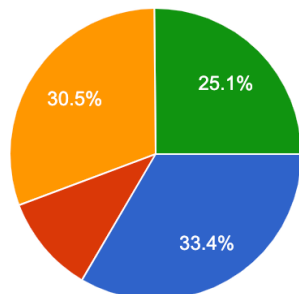

995 responses

- The school should try to stick to the existing calendar that was Board approved.
- The school calendar should be modified so that it is similar to what colleges and universities are doing, with elimination of short breaks, and a long break from Thanksgiving until early January.
- The start of school should be delayed until there is a vaccine for COVID 19.

### What are your thoughts if there is an infected student or staff member at our school?

1,002 responses

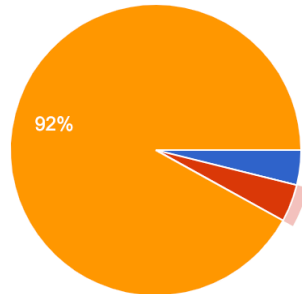

- Only the infected person should be quarantined for 14 days.
- The infected person and the classrooms where the infected person was should be quarantined for 14 days.
- The infected person and anyone who came into contact with that person should be quarantined for 14 days.
- The entire school building should be quarantined for 14 days.

## Who is responsible for keeping the students and staff safe from COVID 19?

1,009 responses

- The school is solely responsible for protecting the health of the students and staff.
- Parents and families are solely responsible for protecting the health of the students and staff.
- We must all do our part, at school and at home, to stop the spread of COVID 19.
