Note: "Intra In" is the count of students who came to the school from another Mount Baker school.
 "Intra Out" is the count of students who left the school for another Mount Baker school.
 "Inter In" is the count of students who came to the school from another district.
 "Inter Out" is the count of students who left the school for another district.
 "Dist Both" is the count of students who both entered and left the district in the same school year.
 "Sch Both" is the count of students who both entered and left the school in the same school year.
 "Either" is an unduplicated count of students who either entered or left the school.
 "Oct Count" is the October 1 headcount from the P105 report.
 "Mobility" is the unduplicated count of students who entered or left (Either) divided by the Oct Count.

Students who followed the normal promotion from Elementary to Junior High and from Junior High to High School are not included in these counts.
