

Hello!

My name is Kelsi Love and I am your new School Counselor for Galatia School District. I am so excited and honored to be joining the Bearcat family!

I am sure you all would like to know a little bit about me. My husband, Zack, and I have been married for 13 years and we have two children Isaiah (13) and Alyza (8). We currently live in Hardin County with our 2 poodles, 12 chickens, 2 roosters, 5 guinea pigs, 3 turkeys, and a chameleon – yes, all the animals have names. Some of you may know me from SIC where I was the Associate

Director of Enrollment Services. That position allowed me great insight of how higher education works including scholarships, college admission process, financial aid, testing, dual credit, and the Early College Program. I look forward to sharing this information with the students of Galatia.

Fun Facts About Me:

- Randomly Sing Song Lyrics
- Gluten Free
- Favorite Color is Purple
- Love to Travel
- Coffee Enthusiast
- Enjoy Pumpkin Spice EVERYTHING

This year will look a little different, nevertheless, I am here to assist all students and their families with multiple aspects of their lives. My responsibility as a school counselor is to promote the academic, career, and personal/social development of all students. Some services that I will be providing is student counseling, college workshops, and helpful resources.

Be sure to check-in periodically on the Guidance Counselor's webpage on Galatia School's website, as I will be providing a monthly newsletter and updates as we make our way through the school year.

I will have an open-door policy, no appointment necessary to visit with me. However, I will schedule appointments with students and parents as the need arises. Please feel free to contact me to discuss any academic, career, and social-emotional concerns you might have. I look forward to getting to know ALL of you!

All the best,

Mrs. Love
