

Student Directory Information

This school district maintains and releases “directory information” without the parent’s prior written consent, unless the parent – or student if over 18 – informs the district that any or all of the following information should not be released without prior consent.

The following information is designated as “directory information”. But is not limited to:

- Student’s name, address, telephone listing, and date and place of birth;
- Parent or lawful custodian’s name, address, and telephone listing;
- Major field of study and grade level classification (example: elementary, seventh grade, sophomore);
- Student’s participation in officially recognized activities and sports;
- Weight and height of members of athletic teams;
- Dates of attendance, dates of enrollment withdrawal, reentry;
- Diplomas, certificates, awards, and honors received;
- Most recent previous educational agency or institution attended by the student.

Each year, the school district gives public notice of the categories of information, which it considers directory information regarding students in the district. The school will allow ten days from date of such public notice for parents to inform the superintendent, in writing, of specific directory information pertaining to such student that should not be released without prior consent of the parent, legal custodian, or the student, if over the age of eighteen. If no objection is received within ten days of the official notification, the information will be classified as directory information until the beginning of the next school year.
