

Alive at 25

Defensive Driving Course

**Proven To Help Teach Young Adults
To Drive Safe And Responsibly**

Alive at 25® is a highly-interactive course developed by the National Safety Council that helps young adults under the age of 25 take greater responsibility for their driving by focusing on behavior, judgment, and decision making. This 4-hour classroom course teaches young drivers that there are consequences to their driving behavior and provides the tools for making positive choices.
