Pathways to successful student outcomes

Pathfinder Initiative Annual Update

- In May 2017, trustees asked administration to propose plan for November 2017; included attendance zone adjustments
- Approved February 2018 and Launched in August 2018.
- Diversified educational experiences of three identified strands: Comprehensive, Choice or Innovative Schools.

Comprehensive

- Traditional School setting featuring:
 - Band
 - Athletics
 - Standard Extra Curricular
 - Example - Traditional core and elective classes within zoned attendance.

Comprehensive Schools

Boulter Middle School
Three Lakes Middle School
Hubbard Middle School
All elementary campuses

Moore Middle School
John Tyler High School
Robert E. Lee High School

Choice

- Expanded education options with specific focus.
- Open enrollment with application required.
- Flexible day/school year for project and performance based classes.
- Example – Online and paperless learning, MST specific curricular activities.

Choice Schools

MST Magnet
Caldwell K-8 Arts Magnet
Tyler Tech
Early College High School

RISE Early Graduation

DEVELOPING

K-5 STEM Magnet(s) – schools within schools

Innovative

- Zoned schools with non-traditional learning models or logistics (YR schools - Alternative Staffing Models - Hi Tech programming).
- Intradistrict transfers will be considered.

Innovative Schools

Hogg Middle School

Career and Technology Center

Boshears Center for Exceptional Programs

RCSC – 501[c](3)

DEVELOPING

K-8 Language Immersion Expansion

Transformation Zone(s) [1882]

Logistics Update

- Enrollments
- Transportation
- Marketing
- Applications

Small surprises = Enrollments and routes

Pathfinder Expo: December 1 – CTC

Magnet/Transfer App Dates:

February 1 – March 1 – April 1

DEVELOPING

Transportation Hubs for Magnets

Small Boundary Adjustments

Focus on accurate projections
