

Married students, pregnant students, and students who are parents shall have access to the same educational opportunities, services, and extracurricular activities provided to other students.

A pregnant student may be required to provide a health care provider's release to be allowed to participate in school activities which could pose a health or safety risk.

If there is a delay in obtaining a health care provider's release, in the student's best interest, the administration may deny activity participation until the release is made available.
