

## **MOUNT BAKER POLICY 2004** **ACCOUNTABILITY GOALS**

### **A. High School Graduation Rate Goals**

The board will adopt district-wide graduation goals and direct the high school to annually establish goals, subject to board approval, to increase the percentage of on-time graduates receiving a high school diploma beginning with the class of 2004.

The minimum graduation rate goals through 2013 will be as defined in WAC 180-105-060. Graduation rate goals in 2014 and each year thereafter for each group of students, identified in federal requirements, will not be less than 85 percent.

### **B. District and School Reading and Mathematics Improvement Goals**

The board will adopt district-wide performance improvement goals for reading and mathematics and direct each school in the district that administers the statewide assessment to adopt performance improvement goals to increase the percentage of students meeting the standard in reading and mathematics.

The following goals and calculation methodologies will be established to measure and improve student achievement in reading and mathematics within the grade level bands as measured by the statewide assessment will be administered as required by state and federal law.

1. The baseline of achievement for the district and schools within the grade level bands on the reading and mathematics assessments for each grade are the starting points established using the federal requirements in the Math and Reading Goals.
2. The goal for the district and for each school is to increase the percentage of students in the following categories that meet or exceed the reading and mathematics improvement goals on the state uniform bar, as established using the federal requirements in the Washington State No Child Left Behind (NCLB) Accountability Plan:
  - a. All students;
  - b. Students of each major racial and ethnic group;
  - c. Economically disadvantaged students;
  - d. Students served in Special Education; and
  - e. Students served in the state's Transitional Bilingual Instructional Program.
3. The district and all schools will demonstrate satisfactory progress toward the performance improvement goals by meeting the federal requirements or by showing improvements using the alternative "Safe Harbor" calculation.

Once a year the board will issue a report to parents/public and present it in a public meeting. The report will include the following:

1. The district's improvement goals;
2. Student performance relative to the goals; and
3. District and building plans to achieve the goals, including curriculum and instruction, parent and guardian involvement, and resources available to parents and guardians to assist students in meeting the state standards.
