Driving a private vehicle to school and parking on the MGHS campus is a privilege and not a right. MGHS administration reserves the right to revoke this privilege at any time. All vehicles are subject to a search at any time. Students who drive on campus will register their vehicle and obtain a parking permit for the year. Only one permit is authorized to each student.

The following parking rules, as well as any / all public laws shall apply:

- The parking permit must be displayed at all times while on campus.
- All students will park in designated student areas.
- The parking lots are off limits during the school day.
- Students in the parking lot without administrative approval during the school day are subject to disciplinary action.
- Students may not give, sell, or reproduce their parking permit for another student. Any student, who gives their permit to, or reproduces their permit for an unauthorized driver, will have his/her parking permit revoked.
- MGHS is a closed campus. Students who need to leave for any reason must first check out through the school office.
- Failure to follow parking guidelines may result in disciplinary action including, but not limited to receiving a \$10.00 parking fine and/or towing the vehicle at the owner's expense.
