Hello Andover Community,

I am writing to introduce myself, Julia Spencer, as the Interim Director of Pupil Services for Andover Central School. I am a graduate of Gowanda Central School and attended St. Bonaventure University where I graduated with my Bachelor's degree in Special Education In 2004. Upon completion of my undergraduate degree, I began working on my Masters in Reading, Curriculum & Instruction at Grand Canyon University. In 2020 I began working on my School Leadership certifications with the University of Rochester and completed my administrative internship and final course in May of 2022.

I have been teaching in some capacity since graduating from St. Bonaventure University in 2004, beginning as a substitute teacher in the West Valley and Franklinville School Districts. I briefly left the WNY area while my husband was in the military and worked at Sylvan Learning Center as their Director of Education in Roanoke, Virginia. In 2007, my family decided to return to Franklinville to be near our family and I accepted a position as a Special Education Teacher and continued to serve the district in that role for the next 15 years. In that time, I worked as a middle school consultant teacher for English, math, global studies, living environment, algebra A, and provided both reading and resource room instruction. I also provided reading and math intervention at the Kindergarten and first grade levels. I provided academic support for struggling students after school, served as class advisor, department leader, transition coordinator, and co-chaired our Christmas spirit committee. I continue to live in Franklinville with my husband and 3 daughters.

I am very excited to accept the position of Interim Director of Pupil Services here in Andover. I look forward to meeting all of you and getting to know the needs of our families and students. My goal is to provide our students the tools and support needed to be able to achieve their goals after graduation. I believe that having a strong partnership between school and home is important to student success.

If you have any questions or concerns, please call me at (607) 478- 8491, ext. 230, or send me an email at jspencer@andovercsd.org. I look forward to working with you to support your child's educational needs.

Kind Regards,

Julia Spencer
Interim Director of Pupil Services
Andover Central School

The Andover Central School District takes every day to maximize the opportunities and full potential of every child.
