

MAY 9, 2019

**GOOD OF THE ORDER**

Sandi Madison has been chosen by FuturesNW as an Education Hero for the 2018-2019 school year. This award is given each year to individuals or groups of people who go the extra mile to help make post-secondary education a reality for low-income, first-generation students. Sandi's dedication to and deep caring for students is why we absolutely want to recognize her this year.

Sandi is going to be recognized publicly at the May 9th Senior Send-Off Event from 5:30 - 7:30 at Options High School in Bellingham.

Please congratulate Sandi and let me know if you can be present on May 9th.
