

KINDERGARTEN ENROLLMENT

Now enrolling for the 2020-2021 school year

PLEASE READ BELOW AS THE PROCESS HAS CHANGED

AGE 5

BY 8/1/20

If your child will be five years old by August 1, 2020, he/she is eligible to attend kindergarten. Children who live in the SVCS district who are not five by August 1 shall not be eligible for entrance into kindergarten unless the parents submit an appeal. The appeal form can be found on the [Enrollment](#) page and is to be submitted to the Superintendent's office no later than May 1st.

WHO WILL BE MY CHILD'S TEACHER?

NEW!

Students will begin the year without an assigned teacher. The kindergarten teachers will use the first few days of school to get to know the students and conduct screenings. Classes will then be divided and students will be assigned a homeroom teacher.
