Picture Day is Coming!!!  
Tips for looking your best

- \* If your hair needs a trim, have it done as soon as possible to avoid the "Just Cut" look on picture day.
- \* Solid, earth-toned colors look the best in portraits. Patterns, plaids and polka dots detract from expressions and very bright colors stand out too much and can lighten, darken, or even change flesh tones
- \* Wear a long or 3/4 length sleeved shirt. Avoid sleeveless.
- \* Glasses? We will do our best to minimize glass glare, however in many cases it cannot be eliminated. We recommend borrowing a pair of lense less frames from your optometrist if this is a concern
