

OHS 2020-2021 LEARNING OPTIONS

OPTION 1

TRADITIONAL

Traditional Classroom Setting
Learning Management System:
Pearson/Google Classroom

- Enrolled as an OHS Student
- In-person learning conversations and engagement
- Social Interaction with peers and staff for preparation of living in a connected world
- Immediate access to libraries and materials
- Google Classroom connects all teachers, students for seamless learning
- Chromebooks provided
- Participate in school-sponsored athletic and fine arts programs (NCAA Compliant)

All Students are automatically enrolled in this option

DISTANCE LEARNING

Is an extension of Traditional setting. It will be determined on an individual basis

- Enrolled as an OHS Student
- Same curriculum management system used by Traditional Classroom Setting for easy transition if needed for intermittent health concerns
- Google Classroom connects all teachers, students for seamless learning
- Supervised by their classroom teacher
- Chromebooks provided
- Cannot participate in school-sponsored athletic and fine arts programs while they are in distance learning (NCAA Compliant)

This is for a traditional student that has to be quarantined for testing etc.

OPTION 2

VIRTUAL

Virtual/Online Education
Learning Management System:
Edgenuity

- Enrolled as an OHS Student
- Semester placement
- Accessible anywhere
- Flexible Schedule
- Individualized Plan
- Supervised by OHS certified teachers
- Communication between administration and parent provided via regular updates
- Chromebooks provided
- Participate in school-sponsored athletic and fine arts programs (not NCAA Compliant)
