Unity High School  
1127 C.R. 800 North  
Tolono, IL 61880  
(217) 485-6230

[https://  
www.unityrockets.com/](https://www.unityrockets.com/)

Unity High School understands that families often times have students in more than one building making the registration process difficult. This is made even more difficult in these trying times. We are committed to making this process safe, accessible and easier for you. We would encourage all families to register their students online if they are capable of doing so. You can find all of our registration information on the Unity High School website under the parent resource tab. If you are unable to register your students online than no appointment is necessary to register them in person. Simply arrive on campus at your convenience during the hours of registration on August 4th and 5th.

### New Students

Any new student(s) to the district must schedule an appointment with a building administrator to register their child in-person. Simply call the main office and speak with one of our secretaries who will gladly set up an appointment. You may reach them at: (217) 485-6230.

### Safety Protocols

- Everyone arriving for registration on the Unity High School campus will have their temperature checked utilizing a digital thermometer prior to entering the building and will only be allowed in the building with a temperature of 100.4 or below.
- To enter Unity High School a mask will be required.
- 6' social distancing must be maintained at all times while in the building.
- 1 way entrances and 1 way exits.
- Clear Plexiglas shields to separate secretaries from visitors
- Only the main office, guidance office and main office hallway will be open. All other parts of the building will be shutdown and not accessible to visitors.
- All main office surfaces will be cleaned and sanitized in-between visitors and main office doors will be open to reduce handling.

To expedite the in-person registration process please visit our website and download all necessary forms, completing them before arrival on campus.
